

Paul Clarkson

Chair of Newnham Ward, Cambridge CLP

Platform

- Form a national policy vision led by science, engineering and technology
- Generate high-skill, high-wage jobs to counterbalance London's finance and service sectors
- Make Trade Unions more relevant for the 21st century
- Enhance health and education sectors
- Nationalisation of key sectors
- Create an accessible and dynamic creative sector
- Change tax laws to ensure millionaires who benefit from the UK economy also pay into it fairly

Professional career

- MSc, University of Birmingham, Nuclear Physics (2006-2010)
- Research Scientist, Rolls-Royce plc, (2010-2013)
- PhD - Student, University of Cambridge, (2013-present)
- Civil Servant, Dept. of Business, Innovation and Skills (2015)
